Dolce Via

a new play by Siobhán Nicholas

A Play about Dream Catchers. How do they survive?
Meet them on the road: the actors, fire eaters, ventriloquists,
musicians, mentalists and magicians ...
Be amazed Ladies and Gentlemen as two vaudevillians dare
to embark upon the most turbulent show of their lives.

DOLCE VIA, a way of life, performed by Chris Barnes and Siobhán Nicholas:

“Individually they are both remarkable; together, they are a tour de force
that sweeps the audience in their wake as they strike,
flare up and blaze from one another’s incandescent energy”
